DPD

01 The Ultimate Choice of Top-Tier K-Beauty Brands

DPD is your ODM/OEM partner for Global K-Beauty success. Leveraging an exclusive network of Korea's TOP 10+ elite factories, we deliver market-proven products that define trends and ensure brand success.

2025 Hot items

01 Freeze-dried Ampoule

Advanced freeze-drying technology stabilizes heat-sensitive actives like Vitamin C and PDRN by eliminating oxidation, delivering a high-potency innovative hit.

02 Hydrogel Mask

This patented mesh-reinforced hydrogel provides immediate V-line lifting and professional cooling, leading the 2025 high-performance home care trend.

03 Jelly Mist Serum

An innovative gel-to-water formula transforms instantly to lock in hydration, merging striking visual performance with advanced moisture-locking technology.

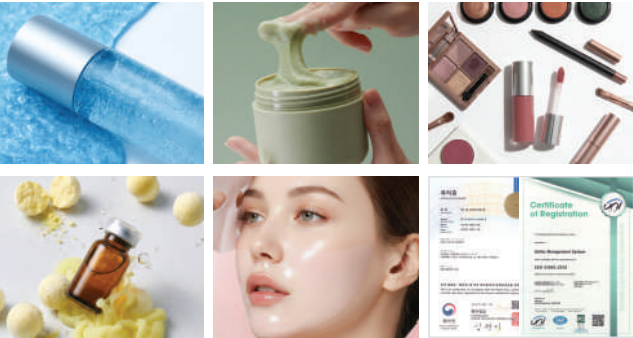

04 Mochi Facial Cleanser

The unique double-whipped mochi texture absorbs impurities and protects the skin barrier, balancing a viral-ready tactile experience with deep cleansing.

05 Color Cosmetics

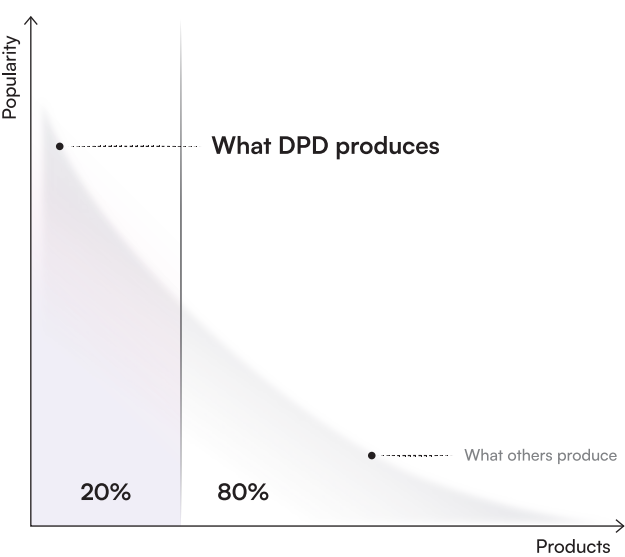

DPD leads the personalized beauty trend by leveraging data-backed insights to manufacture customized, high-performance color collections that define the market.

+ Numerous Patents & Certifications

02 Quality over Quantity

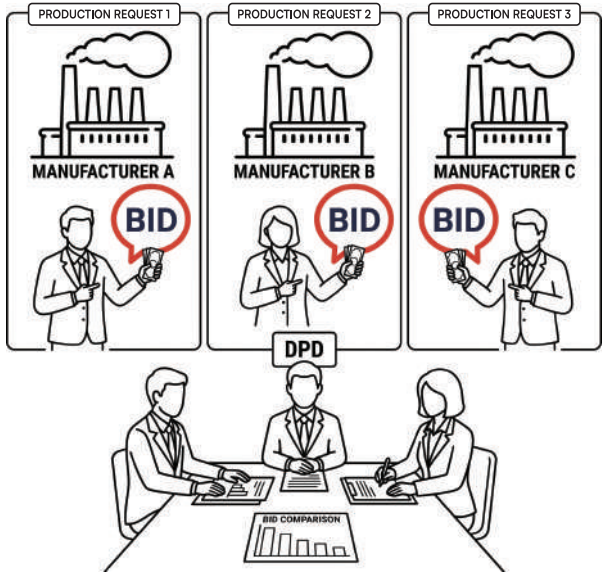

We Don't Just Make Products; We Create Hits.

We merge the latest market-leading trends with uncompromising product quality. Move beyond one-time production. Build your brand with steady sellers that drive constant re-orders.

03 DPD's Bidding System

Maximum Margin, Minimum Lead Time.

Our Multi-Bidding process eliminates single-factory limitations by connecting you to your best-fit partner. We guarantee the lowest manufacturing costs to maximize your brand's profit margins.
